

Please take note of the following information

- (1) The class should have at **most two WA** on a same day.
- (2) If there are 2 WA on a same day, these WA **should not be scheduled immediately one after another.**
- (3) Teachers who are teaching the **SBB/OOS students** are gently reminded to ensure that the WA is indicated on the relevant classes (e.g If there are 4NTOOS students, then Math [NA] is to be shown on 4N2 and 4T1).
- (4) The **Exam Committee members** will check through the WA schedule by level to help to deconflict whenever necessary.
